The Quilts Beginnings
August 2009

Havanese Keep Us in Stitches

No matter what the season, our Havanese brighten many lives with their delightful antics. This year's two Havanese quilts, both donated to HRI, beautifully illustrate our dogs' many capers as they romp their way through the seasons of the year.

With great talent, imagination, and heart, many quilters created blocks which will make you smile with recognition. As you think of the antics of your own Havanese, take a few moments to gaze at the relationship between life and art in the images of some of the quilt blocks and corresponding photos of a few of our favorite poochies below.
