### It's All for the Dogs!

On Friday, July 25, the HRI Reception will be held at the *Havanese Club of America*

### Changing Lives

So, you think that you're really busy, with little time for yourself? Allow us to introduce you to someone who defines the word "busy." Honest, it's in Wikipedia...!

Let's see:

- Fostered 14 rescue dogs in the last seven years
- Works full-time at a veterinary clinic
- Owns and runs her own pet sitting service,

*National Specialty* in Portland, OR. Our reception is a great time to get together with friends while raising funds for our Havs in need of rescue.

You can visit our [Pinterest](#) Board to see some of the incredible items already donated for the raffles and live auction that will be held that night.

Interested in bidding for an auction item? [Email](#).

If you're attending the Specialty, you'll definitely want to attend the HRI Reception. Even if you're not in Portland, you can be a part of things by donating an item to this very important fundraiser. [Contact us](#).

**Our Havs thank you!**

### **Adoption Corner**

Teddy is a two-and-a-half-year-old cream Havanese who weighs in at a svelte 14 1/2 pounds. He is a love, and wants nothing more than to cuddle and gently nudge your arm for belly and ear scratches. At night, Teddy is quite happy to sleep in either a crate or his foster mom's bed. Of course, he would prefer the latter :-)

both before and after work

- Grooms dogs for neighbors and friends
- Lives alone and does 75% of all home maintenance repairs and improvements
- Participates each year in the annual "Race for the Cure" function in Illinois
- Was our Florida state contact for many years, and now co-chairs this activity with Jeanne Tennyson

Oh, and we almost forgot, this after retiring from being a career flight attendant and dedicated mother to her daughter Amiee. Recognize this smile?

It's the smile of an incredible person who just continues to give and give to all those around her. Jill Brecher has done so many things for HRI that the list just goes on and on:

- Helps at our rescue booths
- Does rescue transport
- Participates with adoptive home visits
- Has made hundreds of phone calls
- Has recruited and mentored countless volunteers
- Was instrumental in the recovery of a missing HRI pup, "Charlie Adventure," then raced him to the ER for treatment

Teddy is a bit of a clown and enjoys tossing his toys around while running from room to room with joy and abandon. Teddy is also housebroken and has quickly learned the ins and outs of a doggie door. He gets along wonderfully with the resident Havs.

Traveling somewhere? Teddy loves a good car ride in his own Teddy car seat. Teddy's foster requirements are quite simple, really. Teddy would love to stay in the Philadelphia area, and in a home with a fenced-in backyard.

Teddy is being fostered in PA.

Since this type of person needs constant direction and leadership, it's also good to know that she reports to not one, but three bosses; Bailey, Boomer and Rocky.

"Thank you Jill" for all that you do, for and with, our entire HRI organization. And for showing us what volunteering is truly all about! BTW, the drinks are on us...

Now, do you continue to think that you're really busy?
