*That's our motto. Now we want you to see what that means  
in a very real way.*

### **Adoption Corner**

***Before***

***After***

Say hello to Zoey. This very friendly girl would be thrilled to meet you, your children, your dogs, even your cats, if you have them!

Zoey is a happy nine-year-old who loves attention -- both giving and getting it. She is a true "Velcro" Hav, following and always staying close to her people. Her foster mom can't say enough good things about this sweet girl. She is house-trained, crate-trained and has excellent "doggy manners." She walks well on a leash, loves car rides and enjoys spending time in her foster family's yard. She is a go-with-the-flow kind of girl.

Zoey just wants to love and be loved back. Nothing would make her happier than to be part of a family of her own.

Zoey is being fostered in FL.

### **Adoption Updates**

There are quite a few pups in foster care and more coming in all the time.

Please encourage people who are considering getting a dog to check our [website](#) to see all the Havs available for adoption.
