

HavToHavIt General Store

Take a leisurely stroll to our online rescue shop, The HavToHavIt General Store. It's jam-packed with items for you and your dogs. Our custom Havanese jewelry, tees, and hats as well as toys, training aids and duds for your dog, to name just a few items of the hundreds we offer, have made us the destination for Hav lovers. There's always something new and, the best part - every penny of profit helps our sweet rescued Havs.

You Can Help!

Because some of our rescues arrive with nothing but the mats on their back, donations of coats, sweaters, blankets, scarves, belly bands, toys, diapers, collars, and leashes are needed and appreciated. We have found many of our dogs feel a sense of pride when they wear their scarf or coat, and the blanket they use in foster care aids in the transition to their forever home. See our website to learn how to donate:

Volunteers are always needed

Could you

- *foster a rescue
- *assist with identification of dogs in shelters,
- *help with transport
- *participate in fundraising
- *staff an educational booth

These are just a few ways you can help!

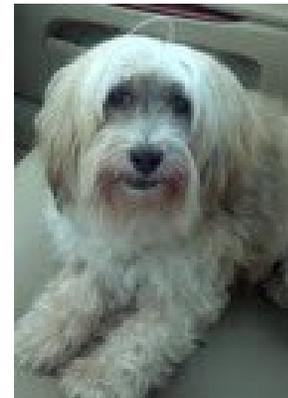

Breeders can include information about Havanese rescue with the other educational materials they provide when they send puppies to their forever homes. Perhaps a new family will want to give back to the breed we all love.

Havanese Rescue Inc.

Havanese Rescue Inc is a registered non-profit all volunteer corporation.

<http://havaneserescue.com>

Havanese Rescue Inc.

As the Havanese breed has grown in popularity, so has the need for rescue. Havanese are increasingly being found in pet stores as products of the commercial pet industry (puppy mills) and imports by brokers. Backyard breeding is more common and Havanese mixes are intentionally produced and promoted.

Havanese Rescue Inc provides the care and protection needed for Havanese and Havanese mixes in rescue. We also provide education about the breed, puppy mills, and responsible pet ownership.

Several of our rescue dogs have required intensive veterinary care including surgeries to remove cataracts, tumors and repair multiple fractures and liver shunts. These services are provided with additional fundraising and support from the Havanese community, the public and adoptive families.

MISSION STATEMENT

Havanese Rescue Inc. (HRI) is a non-profit 501(c)(3) organization formed for the charitable purposes of rescuing purebred Havanese and Havanese mixes which are homeless or soon-to-be-homeless, including those found in animal shelters or similar facilities and those relinquished by their owners. The dogs are provided with the attention, care and medical treatment necessary including spay/neutering. HRI also focuses on education of the public regarding puppy mills and responsible dog ownership including spay/neutering, training and humane care of Havanese and other pets.
