Foster Home Contract

PLEASE COMPLETE THIS SECTION ONLY IF YOU WISH TO PROVIDE FOSTER CARE FOSTER CARE This will NOT obligate you to accept responsibility for a foster dog.

Not everyone can volunteer to be a foster home for displaced Havanese. We understand that. This is possibly the most important aspect of volunteering and not to be done without a great deal of thought. You must be able to separate the rescue dog from your own animals for the safety of all involved. Please complete this section ONLY if you are interested and able to foster a rescue dog(s). It's best to have the ability to possibly be able to quarantine your foster for a period of time if recommended.

By executing this Havanese Rescue Inc Foster Parent Contract (the "Agreement"), Havanese Rescue Inc, and the Volunteer who resides at the address listed on "Volunteer Contact Information" agree to abide by the terms and conditions of this Agreement from the Effective Date of this Agreement until either party terminates this Agreement in accordance with its terms.

From time to time, the Foster Parent may care for a dog on a temporary basis ("Foster Period") while Havanese Rescue Inc finds a permanent home for the dog. The parties both agree and acknowledge that Havanese Rescue Inc is the legal owner of the dog. This Agreement sets forth the responsibilities and obligations of both parties to this Agreement during the Foster Period.

- 1- Foster Parent acknowledges that it is expected to pay for basic food, and shelter. Havanese Rescue Inc will pay for neutering/spaying, teeth cleaning (if appropriate), micro-chipping, routine preventative treatment for heartworms and fleas and ticks, and other medical treatments recommended by a licensed veterinarian, as long as Foster Parent receives permission from Havanese Rescue Inc prior to having such treatment performed in accordance with the policies documented in the Havanese Rescue Inc Policies and Procedures Manual, unless such treatment is emergency treatment that is medically necessary and Foster Parent was not able to reach Havanese Rescue Inc for approval.
- 2- Foster Parent acknowledges that it should exercise due care when bringing a foster dog into the home. It is recommended that dogs be quarantined for at least ten (10) days and kept away from other pets to prevent the spread of various diseases which may not be immediately apparent. Foster Parent acknowledges that it has read the Foster Parent Guidelines and understands the risks associated with bringing an unknown dog into its home.
- 3- Foster Parent acknowledges that Havanese Rescue Inc cannot make any sort of guarantee about the temperament or behavior of the dog, and Foster Parent is responsible for any damage or injury caused by the dog while it is in the Foster Parent's care.
- 4- If Foster Parent breaches any of the terms of this Agreement, Havanese Rescue Inc shall be entitled to immediately reclaim the dog.
- 5- Either party can terminate this Agreement for convenience by giving the other party written notice of its desire to do so. Until such termination is effected, Foster Parent may foster one or several dogs for Havanese Rescue Inc, and such dogs will be identified on a Comprehensive Dog Record which contains specific information about the dog.

- 6- In the event the Foster Parent wishes to adopt the dog, the Foster Parent must make that known to the SC and DMT who can review the suitability. The Foster Parent must complete and sign the Adoption Contract and pay the adoption fee
- 7- Havanese Rescue Inc shall be entitled to recover all of its costs (including reasonable attorney's fees) incurred in enforcing the terms of this Agreement.
- 8- This Agreement shall be governed in accordance with the laws of the State of Delaware, regardless of its conflicts of laws provision.
